The healthy color of the skin is given to it by the millions of little red corpuscles in the blood. These are the carriers of nourishment, health and strength to all parts of the body—in other words the very life of the strength to all parts of the body—in other words the very life of the blood. When the germs of Malaria get into this vital fluid they destroy these corpuscles and rob the blood of its rich, lifes-ustaining qualities, rendering it thin, weak and watery and unable to supply the system with the needed strength to resist disease. Then the symptoms of Malaria such as pale, sallow complexions, weak vitality, poor appetite, deranged digestion, a general "let down" condition of the system, and perhaps chills and slight fever, show that this insidious disease is gradually affecting the entire health. Malaria must be removed from the system through the circulation, and the Malaria must be removed from the system through the circulation, and the medicine to accomplish this is S. S. S. It not only cleanses the blood of all impure, unhealthy matter, but rids the system of Malaria, and restores the of Malaria, builds up and gives tone and vigor to the entire system by its fine tonic effects. Malaria is a blood disease, and S. S. S. cures it because it is a perfect blood purifier. Book on the blood and any medical advice THE SWIFT SPECIFIC CO., ATLANTA, GA.

Its Effect is the Same In All Countries.

handsomest woman in Milwaukee, states that after physicians had failed to give her any permanent relief from that dread disease consumption, she tried Duffy's Pure Malt Whiskey, and has been

entirely cured. Mrs. Henke thankfully writes: For six years I have been ailing with lung trouble, which kept growing worse until my case became seri-ous. I employed four different local physicians, giving each a fair trial, but with very little success. During this period I was troubled with dizziness, cold sweats, cold hands and cold feet, coughing, chills and hemorrhages, which clearly indicated consumption. My physicians suggested that I move to a different climate. I tried several widely advertised medicines, but with no good results, then I tried Duffy's Pure Malt Whiskey. After using one bottle my condition began to improve. I continued to use this remedy for two years, and am now in excellent condition. used to be so weak that I could hardly stand up. I am now able to do all my household work, including washing. This letter is given of my own free will, and that it

may, if desirable, be used publicly, that other sufferers may learn of my wonderful cure. I am a life-long resident of Milwaukee, and the mother of five children. — MRS. ANNA HENKE, Milwaukee, Wis., April 12, '06.

If you wish to keep strong and vigorous, and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions, and take no other medicine. It is dangerous to fill your system with drugs; they poison the body and depress the heart, while Duffy's Pure Malt Whiskey tones and strengthens the heart action and purifies the entire system. It is the only whiskey recognized as a medicine, and contains no fusel oil. This is a guarantee. Duffy's Pure Malt Whiskey has stood severe tests for lifty years, and has always been found absolutely pure and to contain great medicinal properties.

CAUTION.—When you ask your druggst or grocer for Duffy's Pure Mait Whiskey, be euro you get the genuine. It's the one absolutely nume medicinal whiskey, and is sold only in eealed bottles; never in bulk. Look for the trade-mark, the "Old Chemist." on the label, and make sure the seal over the cork is unbroken. Price \$1.90. Medical bookiet and doctor's advice free. Duffy Mait Whiskey Co., Rochester, N. V.
